LAURA ESPINOSA, PLLC

LAURA M. ESPINOSA, PSYD, LP
LICENSED CLINICAL PSYCHOLOGIST

Consent to Treatment

I do hereby seek and consent to take part in the treatment by Laura Espinosa, PsyD. I understand that developing a treatment plan with this therapist and regularly reviewing our work toward meeting the treatment goals are in my best interest. I agree to play an active role in this process.

I understand that no promises have been made to me as to the results of treatment or of any procedures provided by this therapist.

I understand that I am financially responsible to Dr Espinosa for services rendered. Payment is due at the time of my appointment unless other arrangements have been made. It is my responsibility to let her know of any changes in my third-party payors or any other changes that may affect the billing or charges to my account.

I am aware that I may stop my treatment with this therapist at any time. The only thing I will still be responsible for is paying for the services I have already received. I understand that I may lose other services or may have to deal with other problems if I stop treatment. (For example, if my treatment has been court-ordered, I will have to answer to the court.)

I know that I must call to cancel an appointment at least 48 hours (2 days) before the time of the appointment. If I do not cancel and do not show up, I will be charged $75 for that appointment unless a medical emergancy is involved.

I am aware that an agent of my insurance company or other third-party payer may be given information about the type(s), cost(s), date(s), and providers of any services or treatments I receive. I understand that if payment for the services I receive here is not made, the therapist may stop my treatment.

My signature below shows that I understand and agree with all of these statements.

_____ _____

Signature of client (or person acting for client) Date

_____ _____

Printed name Relationship to client (if necessary)

I, the therapist, have discussed the issues above with the client (and/or his or her parent, guardian, or other representative). My observations of this person's behavior and responses give me no reason to believe that this person is not fully competent to give informed and willing consent.

_____ _____
